

◀ **Booyah for Boo' Oh**

For dogs with sophisticated and elegant taste, the **Lumi Collection** is the real deal. **Boo' Oh** designs high-quality collars and leashes for utility and comfort with a modern aesthetic. The leash features a handle made from precisely milled, lightweight anodized aluminum, finished to a solid, satin luster. The genuine Italian vegetable-dyed leather is 100% handcrafted to provide long-lasting beauty, and takes on a soft, buttery feel the more it's used. \$89-\$175 at boo-oh.com.

We're Not in Kansas Anymore ▶

Boo' Oh took great care to create the **Toto Bag**, the world's most elegant poop bag holder. It's designed to seamlessly integrate onto the Lumi Leash (see above), and is constructed from one single piece of fine grain leather folded into a unique, geometric shape. Luxuriate in long walks with Fido with the Lumi Collection and Toto Bag. \$59 at boo-oh.com.

◀ **Cable Knit for Canines**

These super soft cable knit sweaters by **Mark & Graham** keep cool dogs warm in winter. Made with 85% acrylic and 15% wool, they range in size from extra small to large and come in three colors: red, ivory and blush. Each features a small opening in the back to attach a leash and you can choose with or without side buttons. Even better, personalize it with your pup's name for extra pizzazz. \$39 without buttons; \$49 with buttons at markandgraham.com.

Pendants to Honor Our Pooches ▶

Kate Holmes Design pendants help dog moms and dads express the unconditional love and profound bond they share with their dogs. Like a wedding band or promise ring, these pendants can be engraved on the back with your dog's name, birth or adoption date and message of love. \$68-\$158 at kateholmesdesign.com.

◀ Scotland Yard

Get ready to make an adorable impression with this Scottie scarf and gloves by **ModCloth**. Detailed with light tan Scottie silhouettes and red bow, this soft and snuggly accessory will have you howling with delight. Pair it with matching gloves and your winter outing will have fashion hounds drooling. Scarf, \$39; gloves \$29 at modcloth.com.

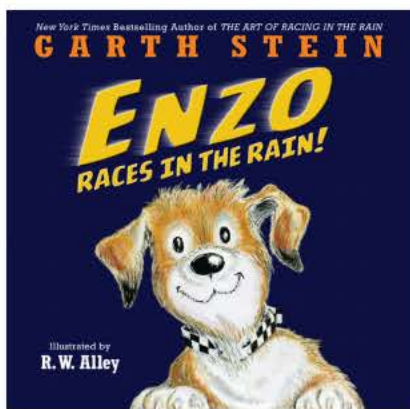

◀ Wobble, Wobble

The **PupPod Wobbler Toy** is a brand new high-tech, multi-level puzzle game that gets more difficult as your dog gets smarter and earns rewards. Each time Rover solves a puzzle, the PupPod smartphone app cues you to toss him a treat. Or, add the Pet Tutor accessory, an optional Bluetooth treat dispenser, and rewards are automated. \$69 plus monthly membership plan at puppod.com.

▼ Enzo Races in the Rain

Enzo, the loveable dog from **Garth Stein's** best selling book, and soon to be released movie, *The Art of Racing in the Rain*, is back in his own children's book series that includes *Enzo Races in the Rain*, *Enzo's Very Scary Halloween*, *Enzo and the Christmas Tree Hunt* and *Enzo and the Fourth of July Races*. Young dog lovers will enjoy cuddling up with these sweet stories. amazon.com

Pajama Pawty ▶

It doesn't get much cuter than matching onesies for kiddos and doggos. Canada Pooch's **Frosty Fleece Onesies** are super soft and super comfy for canines and kids alike, with a plush lining and Henley snap neck closure. Pair these PJs with matching **Polar Pom Pom Hats** and the cuteness is complete. \$17-\$40 at canadapooch.com.

{COOL PRODUCTS} COOL STUFF FOR HOT DOGS

Preppy Pups ▶

Now your dog can be the snappiest dresser at the dog park with **Up Country's** beautiful new green and pink tweed coats, featuring a cozy corduroy collar, pocket with brass snaps and a soft, satin lining perfect for long- or short-haired dogs. Plus, it comes with a snazzy harness patch for connecting a leash for safe walking. Machine washable, and comes in sizes that fit almost any dog. \$44-\$53 at upcountryinc.com.

◀ Six Sides for Four Legs

This unique, yet simple dog tag by **Firefly Lane Stamping** sets it apart from other dog tags, with six sides: one with a serene mountain scene (perfect for the Pacific Northwest) and five others for Fido's name and contact information. The bottom features a delightful paw print stamp. \$18.99 at etsy.com/shop/FireflyLaneStamping.

Let Them Eat Cake ▶

Seattle Barkery, housed in a bright blue food truck called Buster, scoots around Seattle and delivers handcrafted and delectable treats good enough for you to eat, but specially made for your pooch. Perfect for parties, their scrumptious **Hound Dog Cakes** are made with grain free flour, bananas, peanut butter, coconut oil, baking soda and your choice of peanut butter glaze or whipped cream cheese frosting, topped with bacon sprinkles. Yum! \$39-\$49; pre-order your pup's cake at theseattlebarkery.com.

◀ Sunflower Seeds for Fido

Made with sunflower seed butter, CBD oil, and unsweetened cranberries, **Treat Me** is a nutritionally dense superfood that packs 45 grams of protein into every jar. The CBD oil is non-psychoactive, grown in the USA and boasts medicinal and healing properties just right for a pooch that needs a little boost. Even better, it's vegan, non-GMO and ethically sourced. \$55 for an eight ounce jar at

Harness the Power ▶

Turn heads with this luxury harness by **SZconcepts**. It's handmade with gator-embossed leather and silk lining plus a turquoise sugar skull design adorned with Swarovski crystal flowers. And not to worry, the artists at SZconcepts use a unique process to get the leather soft and supple, with a fabric-like feel to keep your little rock star comfortable and looking cool all year round. \$189 at etsy.com/shop/SZconcepts.

▲ An Apple a Day...

Perfect single-size servings of this yummy goodness will have your dog drooling for more. **Green Coast Pet's Unsweetened Applesauce With Pumpkin** is perfect for that mid-day snack and is packed with positive nutritional value to help keep your pup pumped full of antioxidants, flavonoids and dietary fiber. The smart people at Green Coast Pet added the pumpkin to help with digestion. Comes in six individual, just right for licking clean, four ounce cups, perfect and on-the-go treat or meal topper. \$6.99 at greencoastpet.com.

▲ Sweet Dreams are Made of These...

Sugar plums twill be dancing in your dog's head with this super-soft Sherpa dog bed cover by **Mark & Graham**. Available in three different sizes, this cover is designed to fit comfortably over a Harry Barker dog bed insert for an extra layer of comfort and warmth. Purchase the cover separately or as a set with a dog bed insert—it can even be embroidered with your pup's name. \$79-\$219 at markandgraham.com.

Pickles Playland ▶

At **Pickles Playland**, our core goal is to do something that helps someone else every day. With a combination of more than 38 years in the pet industry we hope to help our clients with any aspect of pet care they may need. Our team achieves our goal of helping others, in part, by giving small dogs a safe place to go for daycare and all sizes of dogs a safe place to play on the weekends. From nap time to essential oils and outside potty breaks, we structure each day to benefit each dog to the fullest. To learn more, visit our website at picklesplayland.dog.
